

A GREAT CAUSE

Continental T-Belles Track is a non-profit 501(c)(3) Track Club for young girls ages 8 to 18 years old. Donations are tax deductible.

Sam Smith, the late President and Head Coach for over 36 years, developed an elite track program that produces city, state and national Champions.

MISSION:

The Continental T-Belles Track Club, Inc. strives to promote excellence in physical fitness, nutritional health, and academic and emotional development. We encourage a mind-set that promotes self-esteem, ethical and responsible behavior, community involvement, teamwork, leadership, and sportsmanship. Through repetitive training and through achievement in competitive excellence, we foster an environment that will provide opportunities for young women to attend college with athletic and academic scholarships.

"Our greatest successes are young ladies who have become self reliant, disciplined and productive members of society. Our greatest resource is the positive reinforcement from family, community, and God". *Coach Sam Smith, 1980 to 2017*
